Fighting Blindness**

The urgent mission of the Foundation Fighting Blindness is to drive the research that will provide preventions, treatments and cures for the 10+ million Americans affected by retinitis pigmentosa (RP), macular degeneration, Usher syndrome and the entire spectrum of retinal degenerative diseases. In addition, The Foundation Fighting Blindness provides information and outreach programs for patients, families and professionals.

The Foundation Fighting Blindness is the only major charitable organization in the world that is contributing to leading edge research that will one day result in treatments and cures for all retinal degenerative diseases!
